BIA FY08 IRR QUARTERLY REPORT
October-December 2007

Following is the FY08 1st. quarter report for the Stevens Village Indian Reservation Roads (IRR) contract # E003706136.

Attended the BIA Transportation workshops held in conjunction with the AFN conference in Fairbanks, AK.

Chief Randy Mayo and the Roads Coordinator met with the Denali Commission representative, Mike Mckinnon; BIA High Priority Roads Manager, Nancy Elrod; BIA Roads Program Reps Jeff Harm and Glenn Miller, concerning the cooperative Community Roads Construction schedule and coordination of the Grant funding from the agencies for the project(s).
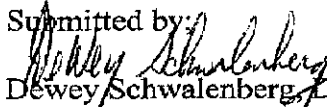

Discussed the new Landfill road progress with the ADOT&PF and the new Landfill construction with the USDA Rural Development agency.

Maintained planning and oversight contact with ASCG engineers and staff to move projects forward. Assisted with an Environmental Grant application which was submitted to the Denali Commission for funding for a fence and Burn-box at the new landfill. Assisted ASCG with planning for the Councils Road Inventory increases and provided technical assistance to other Tribes that have road Inventory selections "in-common" with Stevens Village.

Attended the BIA Providers Conference in Anchorage, Alaska and attended the Transportation Workshop sessions which pertained to the Councils issues.

Worked with the Councils administration, accounting, and auditing contractors to complete the FY05 and FY06 audits and prepared documents for the FY07 audit. Maintained program records, reports, financial documents, and correspondence for the Council to ensure compliance with Federal regulation compliance.

Provided assistance to the Denali Commission Dalton Highway -- Stevens Village road feasibility project which is being done by the Western Lands Agency.

Submitted by:

Dewey Schwalenberg, Director
Natural Resource Program/Tribal Roads Coordinator
